

THE KROEKER FAMILY

Missionaries to the Mennonites of

BOLIVIA

March 2020

Dear Praying Friends,

Thank you so much for the kind words of encouragement and your prayers! Thank you for your monetary support! Please continue to pray for spiritual and physical strength and protection to do what God has called us to. Please pray that we would get meetings and that churches would choose to support us. Please pray for hearts to be stirred for missions. Please pray for labourers to obey the call of God and be sent out into the harvest!

Family

Our family is doing well and we have our hands full finding time to attack the “To-Do” list. There are so many things that we wanted to do and now have a lot of time to do them. It has been a great time! The children are so excited and about two weeks into their new class curriculum. Renee is in grade 3, Leanne in grade 2 and Little Shaney Boy (Shane) is starting with his colours, alphabets, and numbers! They have a heavy load and do so well with it. On the side of all their subjects they are learning other subjects such as Mennonite history.

Outreach

During this time we have had great opportunities to reach out to our family with so much preaching available via live streaming. Sometimes they need to hear from others and this has been a great time for that. I have had the opportunity to share spiritual matters and sermons via WhatsApp chat groups as well. Please pray for my families salvation! Thank you for all those who do! Prayer works!

Small World

We had a great visit one Wednesday night with Beacon Baptist Church of Cambridge, Ontario. Speaking of prayer works, this pastor, not knowing who I was, prayed for my salvation for many years when he was roommate with my cousin who prayed for my salvation for several years. Praise the Lord! It was exciting to see how small this world is while fellowshiping with a family from the church. The lady is from a small village close to Pailon, Bolivia. This is a small town that the Mennonites travel through to get to the city of Santa Cruz. Her father, as well as a brother, are both taxi drivers and occasionally drive the Mennonites from their colony to the city and back. Another brother of hers married a Mennonite lady and they live in Philadelphia, Paraguay. This was a special time of fellowship for us and who would have thought such connections could be made from a random Wednesday night church visit. God is so good and gives us these special treats here and there! Amen!

Bolivia

Please pray for Bolivia. They are planning on a new presidential election on May 3, 2020. They only have an interim president for the time being due to the recent resignation of Evo Morales, who actually fled the country for refuge in Mexico. Please pray for God to move in their hearts and that religious freedom would remain.

Please pray for us as we seek to raise support, move to Bolivia, and reach the Mennonites with the Gospel.

Love, labourers together,
