

KROEKERS IN BOLIVIA

Missionaries to the Mennonites of Bolivia

May-June

Dear Praying Friends,

Thank you for your faithful prayer and financial support! We know God is moving and answering prayer and we are so grateful for the prayer team behind us. It is so encouraging when we hear people tell us that they pray for us every day. This was the case of one of my Sunday School students from years past. In conversation he paused, looked me in the eyes, and in a soft tone said, "I pray for you everyday." Wow! Thank you all so much for your faithful prayer ministry!

Outreach

In preparation for the mission field I have now completed writing a Gospel tract in the Low German language. It has gone through one stage of critiquing and proofing and is now on the way for the second stage. I am also giving rough copies to the Low German speaking community to get feedback on the general tenor of the tract. We ask that you pray alongside of us for wisdom on the final copy and printing of the tract. We need wisdom on how to properly reach the Mennonites of Bolivia. We are also looking into some form of an audio tract that will be word for word of what is on the hard copy as many of them are illiterate in their mother tongue. This approach will be a twofold help. They will receive the Gospel and also be introduced to reading Low German. Many pick up on reading very quickly. My mother tongue is Low German but I had never read it until a few years ago, but I picked up on the phonetical system very quickly. Others have this same testimony as they longed to read in their mother tongue.

Support

We are so excited to announce that since the last prayer letter we have had three more churches take us on for support! This is a special answer to prayer as we have been praying that we would be able to have virtual meetings and that churches we have visited in the past would choose to support the ministry.

Family

Brenda and I had a great two night get-away as we celebrated our 10th year wedding anniversary. This was a very special time for us and we are excited about drawing closer to each other and serving the Lord together. Currently the children are on their school break and enjoyed a field trip to a hobby farm. Shane turned four and we had a great time celebrating with his friends.

Looking Ahead

We plan on getting back on the road and presenting our ministry in the U.S starting early August. Please pray for all the logistics to work out. Please pray that we would be able to get meetings in short notice. We are getting close to the 50% support mark and we would like to get the remaining support in the six month period we are allowed to be in the U.S. Please continue to pray that churches we have presented to would consider supporting the ministry.

Ministry

Please pray for the next several translation projects I am going to pursue. I am looking at translating a Statement of Faith, church covenant, and short discipleship booklet. Also, I am looking at preparing a short devotional series that I plan to record for future outreach. Although we are not on the field we want to do whatever we can right now that will be a help down the road. I plan to have about six months worth of recordings prepared to air on the radio in Bolivia. Please pray ahead that I would get air time to reach out with the Gospel. The government in Bolivia is not quick to put up new radio towers so the best way is to find air time on an existing tower. Please pray for hearts to be softened and open to the Gospel well in advance and that there would be a great harvest of precious souls in Bolivia.

Thank you so much!

Love, labourers together,

The Kroeker Family
