

# KROEKERS in BOLIVIA

February-March 2022

Dear Praying Friends,

Thank you for your faithful prayer and financial support! God is so good and hears and answers your prayers on our behalf!

One of those prayers was a place to stay while we were in northern U.S. We were able to stay in a missions house provided by Wick Road Baptist Church of Taylor, Michigan. It was great to get out of the travel trailer for almost two months! This was a convenient location to base from and get to our meetings. It was also a good place to rest as we needed a place to go to while dealing with my kidney stone. I was able to continue meetings with the kidney stone for three weeks and God gave grace and good timing concerning the high points of pain.

## **Support**

We have had four more churches take us on for support and one church raise their support since the last prayer letter. We are currently at 69% support! Please pray for the rest of the support to come in quickly.

## **Meetings**

We just wrapped up our U.S meetings on March 20, 2022 with a great missions conference at Wick Road Baptist Church with the theme being "Untold Millions are Still Untold". We are currently back in Canada and getting some much needed rest. We are excited to be travelling to Alberta later in April to present our ministry. We are also excited and planning to take a trip to Yellowknife, NT to fellowship with and report to our home church—Central Arctic Baptist Church. We plan to be in Ontario, Quebec, and East Coast for the summer to present our ministry. Please pray that we would be able to get meetings, support and be able to get to the field this fall/winter.

## **Family**

Baby number five is due in a few days! We are excited to have our meetings behind us and to have some time to relax and settle down before the delivery! Brenda is doing very well! We were able to spend time with my parents as they travelled through Michigan on their way to Mexico. We had a short but very sweet time. A few days later we were hit with the sad news that my Grandmother passed away. I was not able to go to the funeral and it was a hard time. Before her passing I was able to give her a Gospel tract as well as a Gospel recording in her mother tongue. Please pray for witnessing opportunities through these circumstances. The children are excited to be back at our home base. They are excited to be back with friends and family. I was able to do our taxes and I am looking at preparing our travel trailer to sell it. Please pray that it would sell for a good price and in good time! We are also considering selling our SUV because it does not have luggage space in order to finish our deputation. We would need seating for seven and space for luggage.

## Outreach

It has been encouraging to see our children encouraged to hand out Gospel tracts and reach out to people however they can. When we travel we have many opportunities to give out tracts at gas stations, restaurants, toll booths, rest areas and more! The children are excited and shout for joy whenever they see a Manitoba license plate when we travel. While at a rest area the girls spotted a trucker that had a Manitoba license plate and Leanne rushed to give him a Gospel tract. They were excited to take it from her and were also happy to see us! Please pray for a video project I am working on that will give viewers the Gospel in Low German word for word as it is written in the Gospel tract that I wrote. This will be another avenue to reach out with the Gospel. I will also be able to use the audio recording to reach out to people via MP3 devices that we can hand out along with Gospel tracts.

Love, labourers together
