April 2020

Dear Praying Friends,

Thank you so much for staying faithful in prayer and monetary support throughout the present circumstances. May God supply all your need according to his riches in glory by Christ Jesus!

Glory I'm saved, glory I'm saved...

April 11, 2020, will forever be a special day in our family! She wrote a simple note... "Wen I go to bed pleas save me I'am not saved mommey." She loves to colour and write notes and expresses herself this way. We have a special file for all of them but this one gets a special spot in my safe! Why? Because later this little girl writes Daddy a special note... "I'am saved Daddey mommy help me I'am so glad." Leanne was so excited she wasted no time telling others! Glory to God for the salvation of children!

Patience

We are doing whatever we can to remain faithful under these present circumstances and waiting for the day we will get to hit the road and present our ministry. With a shifted schedule and and churches unsure of booking a meeting we need a lot of prayer that we will be able to get meetings in the near future. It is not easy to get meetings in short order as calendars are filled in advance. Please pray that this will not be true.

Opportunities

With all the scare and and fear in many lives God has opened up opportunities to give people the truth. Many are fearing end time events are in the happening, but praise God we have the truth and the revelation, and by it are motivated to be right with God personally and to help others so they might be saved.

Reset

This time has been a great time to hit the reset button and get priorities organized in our family. We have had a great time as a family getting closer and enjoying each others company. We have been able to do fun things together and learn each other more than ever.

## It hurts

It hurts to see a cousin leave this life. My cousin passed away of cancer at the young age of 30 leaving to mourn her husband and four children. The fourth being only weeks old. Please pray for the family as the restrictions during this time are making things very hard. Many of the family have to travel from a distance. Pray that they would be able to travel in. Pray for opportunities to reach out to people with the Gospel and that God would draw hearts!

Thank you for your faithfulness!

Love, Labourers together,  
The Kroeker Family
