

KROEKERS IN BOLIVIA

Missionaries to the Mennonites of Bolivia

October-November

Dear Praying Friends,

Thank you for your faithful prayer and financial support throughout the fall season. Thank you for your time and consideration! Thank you for your love toward us and support of our mission and calling.

Outreach

It has been a great blessing to see our two oldest children catch a burden to reach the lost with the Gospel. Leanne makes sure to have her bag full of tracts and is prepared to hand them out as we travel. She even took the time to write a special note to a waitress to go along with a tract. Renee likes to take tracts and put them in places where people will have the chance to read them.

I have started a Low German discipleship book that I mentioned I wanted to do a while back. I want them to be short, yet deep lessons, as far as rooting folks deep into the Truth. Because of this, I hope to make it a series type discipleship course. For instance, book one would be on the Godhead and we would thoroughly go through the Bible to know who God, Jesus, and the Holy Spirit are. I believe if we are going to reach our world with the Gospel we are going to have to step it up with discipling folks deeply and quickly. My vision and desire is to have discipleship evenings on the mission field where people are serious and want to learn the Scriptures and do more than attend Wednesday and Sunday services. These would be the core group who would be on fire for God and be equipped to take over a work and where we could see many churches planted in short order. Sounds impossible, and that's what I thought until a recent missions conference where we witnessed such a work of God through a missionary to the Fiji Islands and surrounding area. The theme of the conference was the possibility of reaching the entire world with the Gospel in our generation and an Acts like approach to our outreach even with all our present day "buts" and excuses. One of these excuses being that the people back then had more Bible knowledge and could quickly be discipled to plant churches. They sure did, but there was a lot of reverse engineering that took place just like your know-it-all Nicodemus. We are without excuse and are commanded to reach the entire world. I am excited about our call to Bolivia as it is a hub to reach the surrounding Mennonites in Brazil, Paraguay, Argentina, Chile, and Peru with the Gospel. Please pray for labourers to these needy fields. Watch the video link here <https://youtu.be/yWfGXOjBF2E> to learn about the Mennonites and their most recent endeavour.

We had the privilege of helping compile John and Romans for a church. We had a great morning service followed by a Thanksgiving feast and an afternoon service (I think the message was on pumpkin pie 🥧). Afterwards we had the opportunity to help with compiling about 3,000 John and Romans. Renee was loving it! She loves a challenge and is very production minded. I can see this being a great asset in future ministry.

Family

We celebrated Renee's ninth birthday! She loved her new pail of baseballs to slug with her baseball bat along with her new baseball gloves. She has great hand-eye coordination and can hit 10 out of 10 balls.

KROEKERS IN BOLIVIA

Missionaries to the Mennonites of Bolivia

The children finished their school mid-November and are excited about their break. Renee will be going into Grade 5 and Leanne into Grade 4 in the new year. Brenda is doing very well with her pregnancy and is 24 weeks along. We are very excited about the new arrival! We have been in good health and have had safe travels. Brenda and I were able to go on a date for the first time since we hit the road again. We enjoyed a meal together and an evening of window shopping! It was so relaxing!

Repairs

While we were in Burnet, TX Pastor Jimmy Frazier and his son went out of their way to help with some RV repairs, helps, and maintenance. They shared a lot of wisdom and gave us a great levelling kit. This has been such a great help and blessing and given peace of mind while travelling. He had tools, a welder and a ladder that helped with many repairs.

Support

We are excited to announce that two more churches have taken us on for support and we are currently at 54% of support needed. Thank you for your prayers!

Please continue to pray for our remaining support to be raised and that we could soon move to Bolivia.

Love, labourers together,
