

KROEKERS in BOLIVIA

June 2022

Dear Praying Friends,

Thank you for praying for us and for supporting our ministry.

We have been very busy with a lot of travel once again and were able to share our ministry with three churches this month. We also travelled back to Manitoba and were able to be part of a wedding. Currently we are back in Ontario looking to present our ministry as well as visiting churches that took us on for support through virtual means.

Outreach

It is encouraging to be around Mennonite folks while we travel on deputation. God has given us opportunities to give out the newly published Low German Gospel tracts while we travel. Please pray for folks that have received these tracts. Pray that the seed planted would be watered and that God would give the increase. Please pray for specific opportunities to reach out to family. I was able to give a tract to one of my aunts whom I had not seen for 16 years.

Small World

I met a lady in one of the churches that we presented with who knew my family and travelled with my parents from Ontario back to Mexico in the summer of 1989. We were eating and having a time of fellowship when she asked my name and the name of my parents. Sure enough, I was the one she remembered holding as a little two-month old.

Support

We are excited to announce that another church has taken us on for support and that we are currently at 79% support.

Family

Our family is doing well after going through a stage of coughs and fevers. Shane and myself both celebrated a birthday this month. We had a great evening celebrating with family and friends. Ember is very healthy and strong for a three month old. We are still in need of her birth registration form so please do pray that it comes in quickly.
