

KROEKERS IN BOLIVIA

Missionaries to the Mennonites of Bolivia

January-February 2021

Dear Praying Friends,

Thank you for your prayer and financial support in January and February of 2021! Thank you for the 2020 Christmas gifts we received!

We are excited to tell you that God has answered two specific prayer requests that we have been asking you to pray about. We have asked you to pray for churches to consider the virtual presentation that we are offering as well as our support to be raised during this time. We are scheduled to present our ministry to a church through virtual means in March. We also had a church take us on as part of their missionary family as well as another church raise their support. Please continue to pray for opportunities to present our ministry and for our support to be raised.

Missions Conference

It was exciting to be a part of the annual Missions Conference at Pembina Valley Baptist Church. It was exciting to see the emphasis on missions work in Canada. They had a missionary going to Quebec and another going to Alberta, present their respectful ministries. There was an emphasis put on prayer and the power of the Holy Spirit in a functioning church to fulfil the great commission. At the end of the Sunday morning message a young gentleman received Jesus Christ as his Saviour.

Home Life

Our children started their new school grade in January and are doing well. We introduced Spanish as their (Renee and Leanne) second language this school year and they are quick at picking up on the alphabet and phonics. Shane started Kindergarten and is doing very well learning his vowel sounds and loves to show off his tracing work. Avery is healthy and growing and is usually the center of attention in our home! Brenda has been busy compiling a much needed lesson curriculum focusing on children serving the Lord in their local church. She is also compiling a Childrens daily devotional in a workable discipleship format. We plan to translate this material into Low German to use on the mission field. I have been working on a Low German Gospel tract and am looking at translating a Low German miniature discipleship booklet.

Prayer Request

Please continue to pray for the borders to open up so we might be able to pursue our deputation ministry. Pray also for churches that we have presented our ministry in to consider the great mission field of reaching the Mennonite people. We are called to reach the people in Bolivia, yet the need is all around as Bolivia is a hub to reach the Mennonites in the surrounding countries. This is a field that is untouched with sound doctrine, a pure Gospel, and sound New Testament churches. The field is vast! Bolivia, Paraguay, Argentina, Brazil and they continue to spread! We need labourers!

Love, labourers together,
The Kroeker Family
