

# KROEKERS IN BOLIVIA

## MISSIONARIES TO THE MENNONITES OF BOLIVIA

January

Dear Praying Friends,

Happy New Year! Thank you for your faithful prayer and financial support in 2022! Thank you for the special Christmas offerings and a big thank you to those who have given towards our Set-up and Passage Fund!

### **Desire**

Brethren, my heart's desire and prayer to God for my people is, that they might be saved. Having also this great desire these many years to go to Bolivia we patiently wait and pray. Satan has hindered us through the 2020/2021 pandemic season, and now waiting upon the government to do their part in issuing us our youngest daughter's birth certificate. Please be in special prayer for this matter and pray that we receive it speedily. At the same time we rejoice and are encouraged in knowing that God works all things out together for good to them that love Him and are called according to His purpose. Pray that we love Him all the more as we are called, and desire to serve Him according to His purpose.

### **Support**

We also rejoice in the additional support we received from two churches throughout December and the new year. We are now at 92.6% of our support goal! Please pray that the remainder of our needed support would come in speedily.

### **Pray for Peace**

Please pray for the political unrest in Bolivia and pray that there would soon be a resolution and that a quiet, peaceful, godly and honest leading of the country would take place. Pray for the corruptness to be realized and repented of. Pray for righteous leadership to be put in place.

### **Outreach**

I am excited to be doing a new video recording of the Gospel tract I wrote. This video will be embedded into our website and a QR code will be printed on the new order of Gospel tracts that will link to the new video on our website. This will be yet another avenue to get the Gospel out! Many are illiterate and to be able to listen to the Gospel will be a perfect alternative. This also saves on having to record onto and purchase MP3 devices. Many searching for the truth have "rebelled" and are in touch with the outside world through phone or radio and we plan to enter these mediums with the Gospel.

### **Family**

We were able to spend Christmas with family this year and had a great time. We have also been enjoying hosting folks for meals, knowing that our time here is short and fellowship will be greatly missed and wanting on the mission field. The children are excited and have started their new school year. They are starting about a month early as catch-up time is always needed for times when we are on the road. This

will be the second full school year transitioned to the Bolivian school calendar. With only a little flu bug showing up here and there our family has been in great health this fall/winter season. Pray for my (John) health situation as I believe I am wrestling with another kidney stone. Pray that it would pass before our next scheduled meeting.

### **Set-Up and Passage**

Of the recent Set-up and Passage funds required that I brought to your attention in the August/September 2022 prayer letter, we have received \$4,272.39 CAD. Please pray for these funds to be raised before we leave for Bolivia. Please refer back to the previously mentioned prayer letter for the exact details or contact me if you need more details.

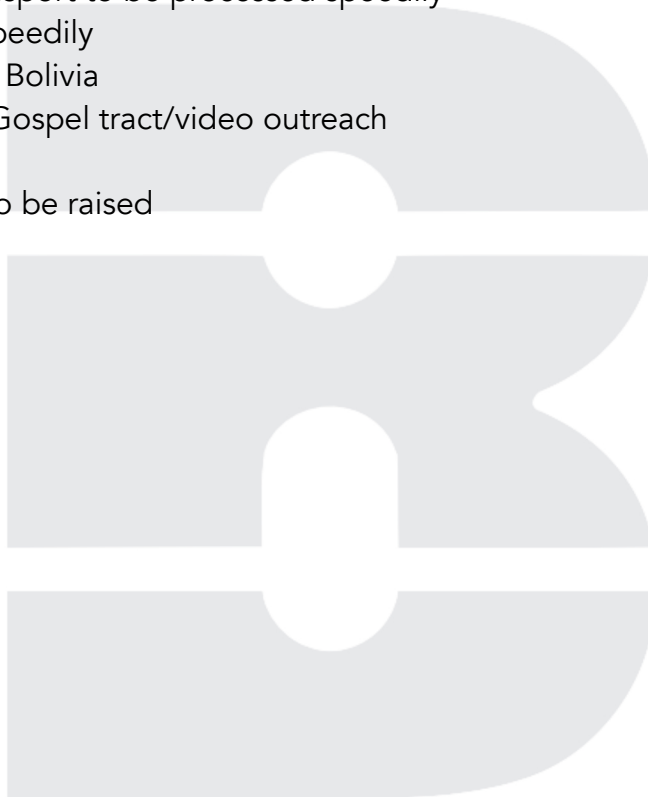

### **Prayer**

- Ember's birth certificate/passport to be processed speedily
- 100% support to come in speedily
- Peace in political matters in Bolivia
- Souls to be saved through Gospel tract/video outreach
- My kidney stone to pass
- Set-up and Passage funds to be raised

Love, labourers together,

The Kroeker Family
