

# KROEKERS in BOLIVIA

August-September

Dear Praying Friends,

Thank you for your faithful prayer and financial support!

## Answered Prayer

We are excited to share answered prayer! One big answer to prayer is that our baby's birth registration finally came in the mail and we were able to complete it and mail it off right away. At the same time, we applied for a birth certificate for her. I noticed earlier this week that a charge from Vital Statistics was made to our credit card. This lets us know that they started the process right away. Also, we have received two of the four older children's passport renewals this week and hope to see the last two next week. That was a total waiting time of 18 weeks. Please pray that the birth certificate would come in soon so we can process Ember's passport application as soon as possible. We plan to submit her application with a plan to travel date as well as a flight itinerary in order to speed up the application process.

## Needed Funds

We are in need of funds for three major needs concerning our Set-up and Passage. We need funds for airfare, a vehicle, and funds to furnish a home. We are personally setting aside funds for a down payment on a home. The focus on this need makes it hard to have funds set aside for these other immediate needs. In Bolivia, you are required to put down 30% for a down payment on a home. Airfare will be about \$7,000.00 CAD, a vehicle anywhere from \$20,000-\$40,000 US, and to furnish a home would be about \$20,000 US for appliances, bedrooms, living, kitchen/dining, and office furniture. If you desire to give to these funds besides your monthly giving, please designate these monies to Set-up and Passage, and if you desire, to the specific fund you choose. Please pray for these funds to come in.

## Family

Avery turned three years old today and was excited to go to a local petting zoo, have cake, and receive presents. Renee and Leanne are pushing hard to finish their school ahead of schedule and finish before their birthdays in October. Ember is growing strong and healthy and full of big smiles. Shane has completed Kindergarten and is doing very well in reading. He loves to read the Bible during his personal devotions and church services, and just loves reading in general. The three older children had the privilege of attending a VBS and it is always a highlight for them. Brenda and I have had the opportunity to go out on a few dates and have been able to begin planning for our next big move. Please pray for us as there is a lot of planning and logistics involved.

## Outreach

We have had the privilege of getting another contact of a believer in Bolivia. I was able to talk to him via WhatsApp. The sad thing is that there are no doctrinally sound churches for these believers to go to. Brenda was also able to reach out to a family in Bolivia we met many years ago. The mom was asking for teaching material regarding missions and reaching out to children with a VBS program.

## Support

We are excited to announce that another church has chosen to support our ministry. This brings us to 90% of the support we need! We are excited and looking at booking tickets for the second week of January. We have some churches that have expressed their desire to support us and we also have a few more meetings booked for this fall. Please pray that the Canada/U.S border restrictions would be lifted this coming week so we can travel unhindered to our meetings.

Love, labourers together,

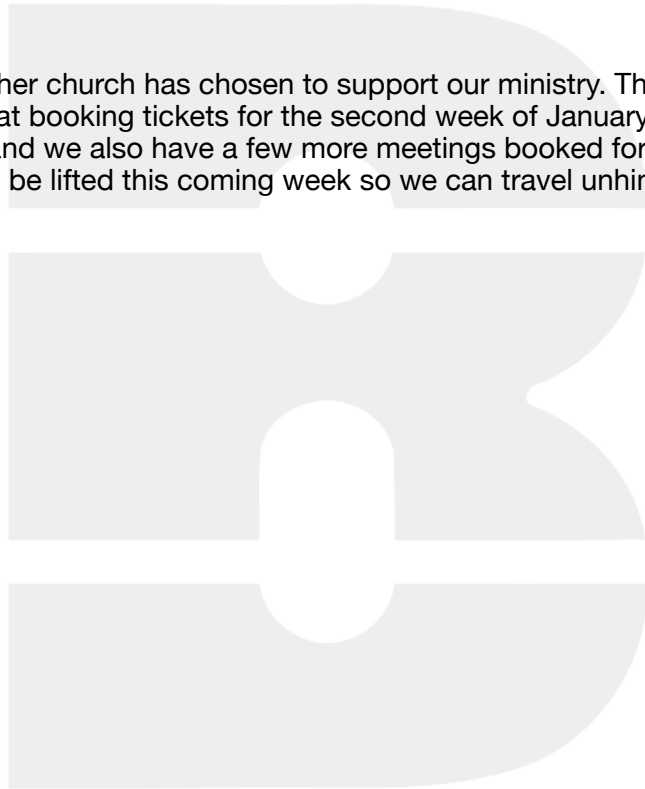

The Kroeker Family
