

April 2022

Dear Praying Friends,

Thank you for your prayer and financial support for the month of April. Thank you especially for reaching out to us after the birth of Ember Grace and remembering us in prayer for her delivery. She is one month old now and she is doing very well. Brenda is doing great as well and we are once again on the road presenting our ministry.

Support

We are excited to announce that we have had three more churches take us on for support since our last news letter. This brings our support level to 72%.

Planning

We are excited about God providing through faithful churches and are excited about the potential to go to Bolivia this fall/winter. We are excited about the thought of moving and starting our next chapter in life. We are also excited about diving into the culture and learning the people, as well as learning Spanish when we arrive. Learning the language of the country will be a big asset in doing day to day errands and business. While we are in the city of Santa Cruz learning Spanish we have the opportunity to reach the Mennonite people as they travel from the country side to the city to do their shopping on a particular street. Please pray for God to prepare and open hearts to receive the Gospel. Please pray for us as we look into planning our trip, getting the necessary documents, getting our belongings shipped, and shopping for airfare.

Outreach

I am excited that people have been asking about the newly published Low German Gospel tract. This will give people an opportunity to give family and friends something to read when many do not give an ear when you long to verbally share the Gospel with them. Please pray for the completion of a word for word video presentation of this particular Gospel tract. My desire is to get the Gospel out there through all proper and possible means.

Special Requests

Please pray for the sale of our travel trailer.
Please pray for us to get our newborn's documents in time.
Please pray that our needed support would come in quickly.
