

KROEKERS in BOLIVIA

July-Present 2022

Dear Praying Friends,

Thank you so very much for your faithful prayer and financial support.

Support

We are excited to announce that three more churches have chosen to support our ministry. This brings us to 87% of our needed support. This is an 8% increase from the last newsletter we sent out. This increase was a great encouragement to our family and we rejoiced with shouts of joy! This support all came in within three days! God is good! With four missions conferences to attend, some other presentation meetings, and pending decisions, we hope to be at 100% support this year.

Good News!

We just received an email yesterday and a phone call today from Vital Statistics letting us know that Ember's birth registration package will come in the mail next week some time. Thank you all for praying for this specific request! Please pray for the next phase of paperwork for her which would be a birth certificate and a passport. Please also pray for the older children's passport renewals. They expire this month and so I got onto the renewal applications in May and we were supposed to receive the new passports on June 7, 2022, but have still not received them.

Outreach

My wife had a great opportunity to give a Low German Gospel tract to my mom while we were in Ontario. Please pray that she would read it, understand it, and be saved. I was able to give one of these tracts to a cousin. Thank you for praying for these specific type opportunities. Besides these opportunities we have been able to hand these tracts out to others as well and they are gladly received when I explain what it is. My dad has opened up a lot recently. Please continue to pray for his salvation.

Family

Our family was privileged to join New Hope Baptist Church of Tillsonburg, ON who hosted a week long family camp. The preaching was great and personally God did a reviving work in my heart. The children loved the afternoon Bible time and activities. This was such a great time for our family growing closer together, resting, renewing, reviving and refreshing. This was my first time attending any type of camp. I didn't grow up in church and never experienced youth camp or any such thing.

KROEKERS in BOLIVIA

A Home

Our family is so excited to have a place to ourselves until we move to Bolivia. We found a double-wide trailer for rent and were able to move in immediately. We moved in on July 29, 2022. The landlord also dropped our rental rate by \$200 because they wanted to support our mission! This is our first time having a home to ourselves since March 2019 when we started deputation full time. This will be a good way to get things organized and in order to move to Bolivia. The children are so excited to be able to settle down before we move. Shane is confused and asks, "How many nights are we staying here?" Brenda is also very excited and sees this as God giving her a taste of what it's like to settle in a home of our own! Life has been one busy chapter after another and we know the mission field will be yet another busy chapter, but it will be so nice to settle down and have a home! For now we are so grateful to have a home for a few months. We are so grateful for all those who pitched in and donated items to furnish our home in a matter of days. Thank you!

Love, labourers together,

The Kroeker Family
