

CENTRAL ARCTIC
BAPTIST CHURCH
"The Pillar and Ground of the Truth"

Pastor Frank Siemens

October 5, 2018

Dear Pastor,

It is with great joy that I recommend to you John and his wife Brenda Kroeker. We (Central Arctic Baptist) have prayed for years that God would call and send more labourers into the mission field. It is an answer to prayer that God has called the Kroekers to the country of Bolivia to reach the Mennonite people with the Gospel of Jesus Christ. We count it an honour to be their sending church and want to do all we can to see them get to the field of Bolivia. John and Brenda are among the finest servants with a real love and concern for souls. We are asking you to prayerfully consider partnering with us in supporting them with prayer and finances.

Thank you so much for your time and consideration.

In Christ,
