Deputation Update and Prayer Request

Dear Praying Friends,

Thank you so much for your faithful prayer and financial support! Your prayers are strongly felt, and are very much appreciated.

We have decided to go ahead and continue pursuing our deputation ministry in the face of many restrictions and loop holes to go through in order to continue. We have seen great success during these trying times and have reached 44% of our support. We were on the road full time as of May 2019 and had meetings until the middle of March 2020 when everything came to a sudden stop. We then pursued virtual meetings and God blessed us with several virtual meetings of which three churches took us on for support.

We have many meetings booked in the U.S with meetings as early as August 22, 2021 and into November 2021. This was a great work of God and answer to prayer as it is hard to get meetings on such a short notice. Please pray for this next step as many things have to come together for this to work out. We booked meetings in faith, are booking flights in faith, and now by faith, we trust God will work out all the little details to get us back on the road.

The plan is to ship our travel trailer and vehicle from Manitoba to Grand Forks, ND with a local towing company. We then plan to fly into Grand Forks Tuesday, August 17 at 5:00 p.m, pick up our travel trailer and vehicle, and hit the road. This is an expensive endeavour which our sending church, Central Arctic Baptist Church, has committed to supplying the necessary funds. Besides all this there are many other costs that have added up and we ask that you pray and consider helping with these extra financial burdens.

Please pray earnestly for the following:

1. Prosperous meetings and a full schedule in short order
2. Shipment to go well and in a timely fashion
3. Negative COVID tests for departure and upon arrival
4. Covid test results in good time and within 72 hours of departure
5. No cancelations
6. God to save souls and to stir hearts for missions in general, and Bolivia and the Mennonites specifically
7. Extra financial aid with the general start up cost of hitting the road again (tires, fuel price inflation, shipping etc)
8. Support to come in quickly
9. More churches in Canada to consider supporting and aiding in getting us on the field as soon as possible

Love, labourers together,

The Kroeker Family
